CAREER SUMMARY:

I am an Innovative and fast-learning Software Developer with 2.5 years of experience in designing and developing scalable web applications. Currently advancing in Golang and C#, with solid hands-on expertise in React.js, Next.js, TypeScript, and AWS technologies. Passionate about clean architecture and collaborative development. Experienced in technical interviewing of engineering candidates, especially across Kenyan and Indian talent pools

TECHNICAL SKILLS:

- **Languages & Frameworks:** TypeScript, JavaScript, React.js, Next.js, Node.js, Express.js, basic C#, learning Golang
- **Frontend Tools:** Tailwind CSS, daisyUI, Ant Design, Framer Motion, Shadcn.ui
- **Backend & Databases:** Supabase, MySQL, PostgreSQL, Prisma ORM
- **Auth & Security:** JWT, session management, Two-Factor Authentication (2FA)
- **Cloud & DevOps:** Amazon EC2, API Gateway, Amazon CloudFront, AWS Lambda, AWS Amplify, Serverless Framework, AWS RDS, Amazon S3

PROFESSIONAL EXPERIENCE:

Brandlogs Inc. | Software Developer | Aug 2024 – Mar 2025

- Led the development of a 5-month MVP project using Next.js, TypeScript, Supabase, and AWS Amplify.
- Participated in feature planning, scoped sprints, and implemented client feedback via user testing.
- Built responsive UIs and managed cloud deployments with Amplify.
- Conducted technical interviews for junior candidates across Kenya and India.

Brandlogs Inc. | Software Developer Intern | Jan 2024 – Aug 2024

- Built and maintained client websites, supported frontend development and troubleshooting tasks.
- Contributed to QA, feature prototyping, and internal documentation.
- Gained exposure to agile workflows and production-grade deployments.

Freelance Projects | Web Developer | Mar 2024 – May 2024, Mar 2025 – Present

- Developed a dynamic customer feedback platform with user dashboards and chat functionality.
- Created a membership and digital product site, including checkout workflows and subscription management.

RELEVANT PROJECTS:

Jamboleo Auto Engineering Ltd

Freelance Web Developer | 13 March, 2024 – 14 May, 2024

- Created a website and a customer feedback platform with a dynamic dashboard for user management
- Included features like user authentication, chat feature and client management

Ankards Company Limited

Freelance Web Developer | 07 March, 2025 – 13 April, 2025

- Created a membership site to create, manage, track subscriptions, and sell digital products.
- Made a customizable checkout process to ensure that customers purchase products easily.

EDUCATION:

Bachelor of Science in Computer Science | Kabarak University, 2020 – 2024
